The first annual Market in the Park event was held last Saturday at Old Mill Park, with several vendors reporting profits of over \$500.

The program, which began at 10 a.m. and closed at 2 p.m. and promoted local farmers, craftsmen, artists and entertainers, was sponsored by the Morgan County Cooperative Extension Service, Bank of the Mountains and the West Liberty Tourism Commission.

Extension Service interns Candice Cantrell and Courtney Lacy estimated that approximately 400 people attended the

event to purchase handmade jewelry and crafts, fresh produce, baked goods and CDs from 23 local vendors.

Event entertainment included Hershell Wright and the True Gospel Echoes, and Roland Dunn and the East Kentucky Mountain Boys.

"Market in the Park was a great success," Lacy said. "The goal was to show everyone what a Farmer's Market *could* look like. We have received a lot of

positive feedback from our vendors and customers."

Lacy noted that Extension Service employees may plan another Market in the Park event for sometime this October.

Market in the Park is a project of the New Cities Institute's Agritourism/Heritage/Localism Committee, one of several groups planning special community events and projects as a joint

Some of the many local cancer survivors line up for the Survivors Lap to kick off last Friday's annual Morgan County Relay for Life at the County Equestrian Park.

Relay for Life raises over \$40,000 with good crowd in attendance

Attendance was notably higher for this year's Morgan County Relay for Life at the Equestrian Park on Liberty Road, with approximately 500-600 attending the American Cancer Society's annual research fundraiser.

Judge Executive Tim Conley, a Relay committee member, said event participants raised over \$40,000 for cancer research — a

significant increase from last year's total of \$33,293.89.

Local cancer survivors were honored during opening ceremonies, during which Danny Akers lit the Torch of Hope and led the survivors' lap.

Participants lit luminaries at 10 p.m. honoring family and friends who have succumbed to cancer, as well as current survivors. The luminaries served as

symbols of hope and lit the walking path for the remainder of the night.

This year's top money raising team was Mountain Telephone. Other teams included Morgan County ARH, Bank of the Mountains, Commercial Bank, the Conley family, Glenn Avenue Church of God, Lacy Creek Church of Christ, Morgan

Annual bluegrass festival opens today at Smith Creek

Clarence Kelly Homecoming Fest offers local, nationally known talent

By Carla J. Collinsworth

Bluegrass music fans attending the annual Clarence Kelly Homecoming Festival, held on top of the Smith Creek Hill, will hear from local talent and nationally recognized bluegrass performers this year.

The three-day event will open at 6 p.m. Thursday, Aug. 6, with performances by two time SPBGMA Male Vocalist James King, also Jonathan Rigsby and Summertown Road, Hazel Hollow, and True Gospel Echoes.

On Friday, Aug. 7, music will get underway at 2 p.m. with performances by James King, Marty Raybon, Clarence Kelly, Wilbur Carpenter and the Dixie Ryders, Norman Wright and the Kentucky Ridgerunners.

Even though this will be Marty Raybon's first appearance in Morgan County, he needs no introduction. He is widely known in the world of bluegrass for his compelling stage performances. He comes from an immense musical background, having performed in his early years as a member of one of Florida's premiere young bluegrass groups, Americana Bluegrass Express. Raybon's father and brothers were also members of this band. More recent, he was lead singer for Shenandoah.

take place on the Smith Creek stage at 5 p.m. Friday when Clarence Kelly will be joined on stage by James King, Elliott County native Don Rigsby, and Marty Raybon to play an hour-long set that will include selections from a new CD that has been in the making for over a year. Immediately following this performance, the CD, "A Trip Back In Time", will be released to the public.

Clarence has been exposed to music all his life. He first entertained on stage at age 11 when he and his father, the late Santford Kelly who was an old time fiddler, performed at Natural Bridge's Hoe Down Island. Down through the years Clarence has played traditional music and has developed his songwriting talents. But this is the first time he has had the opportunity to

Registration will begin at 10:00 a.m. at the gazebo in the Kiwanis/Tredway Park at the east end of town. This year's Run will be a 72-mile tour through the Red River Gorge and Nada Tunnel and will begin at 12 noon.

The first dice roll will be at the gazebo in the park. The second will be at the Gladie Information Center in the Gorge,

where there will be a rest stop and refreshments. The third roll will be back at the park.

The first 60 entries will receive a free t-shirt and a complimentary gift sack. Entry fee will be \$15.00 per person. Refreshments and a free cookout will be provided after the Run in the picnic shelter at Kiwanis/Tredway Park.

Winners will receive \$1,000 in prize money — \$600 for first place, \$300 for second place, and \$100 for third place.

Proceeds from the Run will be used to help with the purchase of a new slide for the Kiwanis Swimming Pool.

Plant operator recognized

West Liberty water plant superintendent Brandon Bailey, left, displays the award for excellence he received at a recent meeting of the Kentucky-Tennessee Water Environmental Association for overall plant operation and maintenance. Bailey was one of only three water plant operators in Kentucky and Tennessee to be awarded the honor and was the only Kentucky operator to receive one of the special plaques. Mayor Jim Rupe is at right.

Sue and Robert Perkins and grandchildren, Keri Leigh and Wyatt, of Malone, spent a couple of days last week in Springfield, Ohio. Sue lived there for many years. She visited with her friends. On the way home, they stopped in Dayton, Ohio and visited with Sue's cousins, Sonya Gevedon Harris and Lenwood Gevedon.

Former local residents, Mrs. Ethel Phillips, who now lives at Liberty Ridge Apartments, in Lexington, and Mrs. Ruth Conover, of Northern Kentucky, spent a weekend recently with long-time friends, and also former residents, Coy and Virginia Nickell Hibbard, at London. Coy, who is now ninety nine and active, still attends some of the University of Kentucky football games. They all had a wonderful time reminiscing and touring the city.

Guests stayed in local motels and gathered again for breakfast Sunday morning which Tim and Jan had prepared. A highlight on Saturday was a surprise anniversary cake presented by Jan to her parents, Merle and Gerleen, honoring their 50th anniversary which was June 22 and when they spent a week with their family at Myrtle Beach.

Visiting in Frankfort Tuesday were Randy Ozan, pastor of the White Oak Christian Church Disciples of Christ, and church member Margaret Reed. Mr. Ozan, who is from Minnesota, had expressed a desire to see the Kentucky Capitol building, and Margaret's nephew, Gordon Pat Adkins, who works at the Capitol, arranged a tour for them. WORDS OF WISDOM

Once one determines that he or she has a mission in life, that it's not going to be accomplished without a great deal of pain, and that the rewards in the end may not outweigh the pain – if you recognize historically that that always happens, then when it comes, you survive it.

FINDING FAITH IN A FLOWER

Sometimes when faith is running low I walk among the flowers I grow. For among the flowers I have come to see life's miracle and mystery, and standing in silence and reverie, my faith comes flooding back to me. May faith fill your heart and may God's love surround you today and always.

Morgan, Wolfe Countians in 8th Ky. Union Infantry Regiment

By Bob Bickers

In the Battle of Perryville, Ky., on October 8, 1862 the Southern Confederacy sorely tested the mettle of the Union Army. The 8th Ky. Union Infantry Regiment, formed at Estill Springs and commanded by Col. Sidney M. Barnes, “was present, yet not engaged in the fighting at Perryville.” The unit helped to push the rebel troops out of the state.

The 8th Ky. Infantry was made of mostly Eastern Kentuckians from Estill County with some men from Morgan and Wolfe counties. The latter recently established in 1860.

Regimental historian, Thomas J. Wright, wrote in 1880, he believed the recruits “were excellent marksmen [who] only needed schooling and discipline.”

However, after the Battle of Perryville, the men wanted to re-turn to their homes due to “anger

over officers’ privileges, homesickness, late pay, poor rations, and simple exhaustion.”

Some soldiers left their unit with leave and some without, but had every intention of returning to duty.

The Confederates were raiding in Eastern Kentucky. Union soldiers wanted to check on their families, property, and sought to put up provisions for the winter.

The December 10, 1862 *Frankfort Daily Commonwealth* listed these local soldiers:

Company E: (Absent With Leave from Wolfe County) – Elsberry Little, Alfort (Alford?) Shackelford, and William Graham (Absent Without Leave from Wolfe County), Corporal Miles Wilson, Amos R. Williams, and George Little (Absent With Leave from Morgan County) Marion Walter. (Absent Without Leave from Morgan County)

Corporal William Bindon (probably, Lindon?).

Company G: (Absent With Leave from Wolfe County) – Elisha Bailey, Randal M. Olinger, and C. L. Shackelford (Absent Without Leave from Wolfe County), James Spence and John H. Stewart.

After the soldiers returned to their unit, many were later engaged at significant battles at Stone River, Chickamauga, and Lookout Mountain. The Emancipation Proclamation took effect January 1, 1863, but did not include slaves in Kentucky. It was not universally welcomed by the soldiers of the regiment.

Charles Douglas Gibson, Sr.

On July 27, Duke went to sleep and God sent his angels for him before he awoke on July 28.

He rests now in God's arms along with his mother, Mildred Dixon Martin, and his father, Junior "Red" Martin, and baby sister, Sally Jo Martin.

Duke was known well and loved strongly by all of those who knew him, especially by his wife, Georgia; daughter and son-in-law, Melissa Barger Davis and Jerry Davis, and son, Charles Douglas, Jr.

Many times he has brought a smile to the face of someone who was sad. He never failed to speak even to people he did not know.

He had three grandchildren, Devin Barger, Damien Wyatt Gibson, and Carrie Denae Gibson.

He is survived by his brothers and sisters, Linda "Pumkin" Caudill, Trish Conley, Sherri Lisky, Gordon Gibson, Jack Gibson, Connie Sue Sexton, Terry "Moe" Gibson, Vicky Conley, Larry Keith Martin, LaDonna Patrick, and Rhonda Scoville.

You never left his side without a smile and a laugh. He was a smile waiting to happen.

Duke, we love you now and always. Your memory will always be with us. You're in God's arms, no more pain, but we will miss you so. A stranger was just a friend he did not know.

Funeral services were conducted Thursday, July 30, 2009, at the Potter Funeral Home, West Liberty, with Bro. Larry Patton officiating.

MODERATION

The hill may be long and steep, but if our steps are moderate in pace, the chances of getting to the top are much better than if we start too rapidly and are forced to quit before we reach our goal.

Time For Two

What precious, irreplaceable time a mother and son can share; the sea and the sky spread out before them as if the world were at their fingertips. For a young child, "the world is his oyster". With encouragement from his family, the possibilities for the future stretch as far before him as his imagination and determination will allow. Our children are the future. Our new cars will rust...our houses fall to decay, yet we still have the possibility of a strong and shining future when we educate our children to believe in themselves and in the wisdom of their Heavenly Father. Won't you take time to worship as a family this week? Our future is in your hands. "Train a child in the way he should go, and when he is old he will not depart from it." (Proverbs 22:6)

Faulty heating/air unit sets off WLES fire alarm

West Liberty Fire Department responded to a fire alarm at West Liberty Elementary School on Sunday afternoon that was set off by a faulty heating/air conditioning unit.

Dispatcher Heather Blair said that the unit, which is located in a mobile classroom behind the school building, began producing hot air as outdoor temperatures reached the mid-80s.

Blair noted that there was no fire, but that the classroom's floor became hot due to the extreme room temperature.

Caney Valley News

By Tracey Barker Hatton

Aug. 3--Hello again from Caney Valley. School started today in Morgan County. As you are driving, please watch for children, and we will all work to keep them safe. This has been a tragic week around our community. We want to remember Robbie Helton's family (Robert and Valerie) and their families, also remember Robbie's girlfriend, Lacy May, and her family. It is so difficult to cope with a loss no matter what age, but especially young people. We don't understand why things happen and that will be a question that has no answer. May God comfort you and bathe your heart with His love.

Boone and I stopped in to see Anna Ruth Harper. Anna Ruth has cancer. She and her family appreciate prayers from all. Anna Ruth is a Christian and testifies for the Lord. She said that she has had several visitors; Patty Barker Griffin, Scarlett Vance, Becky and Jordan Roseberry, and Bro. Mike Lindon. She has a wonderful support system from her family and friends. My mom, Patty Barker Griffin, was over at the nursing home visiting with granny, Wanna Barker, and was able to visit with several friends from the Caney community. She also saw Hazel Craft, Becky Hammonds, Alma Dalton. She also visited with Geneva DeHart, and Marie Lewis. My mom was also down seeing my uncle and aunt, Woodford and Berchlene Henry. She was there when Boone and I stopped in and Randy Nickell came over to check on them while we were there. They are doing pretty good. Bro. George Oney was down visiting with his aunt and uncle, Eunice and Elmer Hatton, last week. I talked with Debbie Craft, she said her mom, Hazel Craft, is doing fair. Debbie spends a lot of time seeing Hazel and tending to

her needs.

Prayer Requests: I would like to ask the readers that believe that prayer can change, to cut these names out of the paper and pray over them and for them. Anna Ruth Harper-cancer, Don Cheek-cancer, Diane McClees Jett (my cousin)-cancer, Cara Dunaway (Girdlen Lindon's granddaughter)-cancer, Jeff and Sarah Roseberry Byrd-the upcoming birth of their first child, Woodford and Berchlene Henry, Isaac Gevedon-post surgery, Jimmy Profit (Buck and Dean Profit's son)-cancer, Boone Hatton-post surgery, Jaylynn Craft (Boone's granddaughter). Thank you for praying and asking God's will to be done.

Happy birthdays: Derek Easterling, Becky Hammonds, Michael Lacy, Hilda Benton, Dale Prater, Mary Beth Lacy, Kristin Kearns, Eunice Hatton. Happy birthday to you all on your special day.

Boone and I had the opportunity to eat at Courtside Cafe. This is a new restaurant opened by Wayne and Tammy Prater Miller. The food was delicious. They are located at the old Farmhouse Favorites location. We wish them well with their new establishment. Boone and I had dinner with Elmer and Eunice Hatton and his brother and niece, Eric and Trish Hatton. Eric, Trish and Eunice cooked a wonderful dinner and then we all went for a little stroll down on Lykins Lane. We had church at Brushy Fork on August 2. We had a wonderful service and such a good spiritual blessing from the Lord. Next church time at Brushy Fork will be on August 23rd at 10 a.m. Brenda and Clarence Adams reported that their grandsons, Nate and Austin Wallace, spent some of the summer with them and enjoyed having them around. Joel and Connie Ison Shifflett, the daughter of the late Herndon and Justine Ison, was in last weekend and some of Connie's family performed in the group C-Psalms at Grace Baptist

Church. Grace Baptist Church had their annual giveaway on August 1st. Many help to organize and plan this event. This was a two-fold blessing. The Spencer Reunion (Bertha and Dee) will be on August 16th, at the old homeplace (Ralph and Becky Hatton's home). If you have any news please call me at 743-9921.

On Friday, July 31, Patty Phipps, Patty's granddaughter, Katie Peyton and I went to Mt. Sterling to enjoy a fun day sponsored by our employer, Gateway District Health Department. We enjoyed an afternoon of free food, free bowling and door prizes. We feel so blessed to work for such a good employer. Thank you all so much. Patty Phipps is my support clerk at MCEs.

On Saturday, August 1st, the first annual Market in the Park, was held at Old Mill Park. This was a time that local vendors came and sold their produce and wares. I, myself, being a vendor, appreciate all the work that went into organizing this event. I support the logo, "Buy Local." Thank you all again for making this a success and thanks to the community of Morgan County for coming out and spending your money here at home.

I appreciate having the Lord in my life and I always want to be a willing vessel. By opening my heart to the Lord, I feel like I can be a witness and encourage to others with the Lord's guidance. I would like to share some of the words of a song, "By the Blood"; I pray that this song may reach deep down into your heart, where the Lord's still small voice can speak to you. "When the last ray of sunshine in my life has faded and my time to cross Jordan is here. There will be somebody waiting to carry me over when I say goodbye to loved ones down here." May the Lord be with you and my prayer is that you will make the Lord as your Shepherd. (Psalms 23) KJV. May God bless and keep you.

Kellacey

By Sandra (nee) Carpenter

Aug. 1 — Get well wishes to the sick and sympathy to all who have lost loved ones.

Condolences go out to the family of Elizabeth Sharp (Betty as we know her). She was a very nice person, I enjoyed talking with her. Also to the family of Robbie Helton. You have our sympathy.

I would like to send out a Happy Birthday to my sister, Tamera Carpenter, which is on August 8. Wish you many more.

The writer was in Owingsville this weekend attending to business.

Tim Peyton was a visitor of Harold Goodpaster one day this week.

The writer accompanied Harold Goodpaster to Morehead for some appointments this week.

Barbara Carpenter ran into Billy and Janice Lewis at the ARH one day last week. Good to see them.

It won't be long until school starts back. Summer has gone really quick this year.

It seems like we haven't even had a summer this year. The weather has been very unpredictable. I suppose it's due to the global warming.

Get well wishes to Dean Rudd. He is a former schoolmate of mine. We graduated together. I hear he isn't well at this time.

The writer attended church at Blaze Community Holiness Church on Wednesday. We had a good service. I hadn't been there for a while, and was glad to get back.

I want to say hello to family in Ohio, Nellavine, and Donetta, and to Jerry and Bobby Muncie in Eureka Springs, Arkansas.

Mr. and Mrs. Mason Montgomery of Hwy. 437 had as guests on Friday, July 24, her daughter, Annette Mazzoni, and granddaughter, Rachel, of Louisville, Ky.

Saturday morning breakfast guests of Mason and Carolyn Montgomery were Jeff, and Philip Montgomery.

On Saturday, Carolyn Montgomery and daughters, Annette, Stephanie, and Paula, and granddaughters drove to Jackson to

visit with Mr. and Mrs. Earl (Amy) Gross and to see the new addition to the family, a baby girl, Katrina. They have another daughter, Katielyn. A good trip was enjoyed by all. On Sunday when Annette got ready to leave, some of the family members traveled together and went to Broke Leg Falls to view for a while, then she went on toward home.

Mr. and Mrs. Glendon Goodpaster, Skylar, Dakota, Tina, and Paula were supper guests of Mason and Carolyn Montgomery on Sunday night. The next morning a group of family members got to picking and stringing green beans and Stephanie helped her mother can 106 jars of beans. That will be some mighty fine eating this winter when old man snow shows his face.

Carolyn Montgomery will be having surgery on Friday, August

7, at St.Claire Hospital in Morehead, I wish her good luck and speedy recovery.

On Saturday August 1, the writer and Barbara Carpenter ventured down to Mt. Sterling and went to many yard sales scattered throughout. Then we drove on and stayed overnight with Tamera Carpenter, Tammy had to work late Saturday and didn't get to visit much. We got up and had breakfast and called my brother, Kendall, and he came over and visited with us for a while. He said he was almost over his surgery now and doing fine. Then we loaded up and headed home finally.

Harold Goodpaster vistited with the writer and Barbara Carpenter on Sunday evening.

The writer visited with Lexie Goodpaster on Monday July 2.

Aug. 3--Greetings from the Junction. Last week I was in Ohio visiting with my sister and granddaughter. I had a great time. Also, had dinner at a Mexican Restaurant with a couple of high school friends I hadn't seen in 20 years. We reminisced about the good old days.

Herbert Wright was wheeled into church on Sunday by his sister, Maggie, who is in from Florida visiting. It's been a long time since he has been to church. Herbert has been recovering from neck surgery. Although it was just a visit, he soon will be fully recovered and back in the pulpit.

Was glad to have Mondell Bradley and Sylvia Burchett in church on Sunday.

Bazzie Dulen will be undergoing hip surgery today. He is the husband of Donna Dulen and they live on Hwy. 437. Bazzie was injured while serving in the National Guard in Afganastan.

Greg Adkins was in an accident on Friday evening, totaled his car, but he was treated and released. No serious injuries.

Congratulations to Mr. and Mrs. Keith Gilliam. Keith and Amanda Hinton exchanged vows on July 18. Keith is the son of Larry and Kaye Gilliam.

Congratulations to Aric Lonchar in his promotion from Private First Class to Lance Corporal. Aric was also recently married to Becca Elam. She will be joining him in Mojave Dessert in Southern California.

Sympathy goes out to Bellve Helton and family. Bellve lost her grandson, Robby Helton, in a car accident last week.

Red Cantrell is in Lexington Hospital, in serious condition, from a heart attack.

Birthdays: August 1 Earl Stacy will be celebrating, kicking, and dancing all over the floor, because on this birthday he will be "74".

- Baby wipes can be used to clean leather suede shoes or purses and keep them looking like new.

- You never have to be lost if you have a global position sensor (GPS), as it will tell you how to get where you are going and where the nearest gas station, hospital or grocery store is.

- Fixodent or Polygrip are said to be great denture adhesives and are also great for temporarily recementing a loose crown (cap) or bridge.

- If braces, brackets or wires come undone around your teeth, press dental wax against wire to keep it from poking into the cheek or lip.

Several new laws passed by Legislature now in effect

Several new laws approved during the Kentucky General Assembly's 2009 regular session recently went into effect.

The Kentucky Constitution states that legislation approved by the General Assembly goes into effect as state law 90 days after a legislative session ends, unless a bill specifies a different effective date or contains an emergency clause that makes it effective as soon as it is signed by the governor.

Some of the biggest items of the session, such as the approval of revisions to the state budget, contained emergency clauses and are already in effect. Most of the 101 bills approved this year went into effect June 25.

Among the new laws that have taken effect are the following:

State agencies purchasing agricultural products or Kentucky-grown products are now required to make annual reports to state lawmakers and the Department of Agriculture on the types, quantities, and costs of the products.

The removal of identification tags or electronic tracking devices from dogs are now prohibited unless approved by the pet's owner or it is necessary to treat an injured animal.

All profit organizations that collect donated items for resale are now required to place a sign on the collection bins stating that the collections are not charitable donations and do not qualify for a charitable deduction.

17-year olds who have enlisted in the military are now exempted from being required to obtain an intermediate driver's licenses and individuals over age 18 are exempted from graduated driver's licensing requirements.

Children wishing to see par-

ents or legal guardians serving overseas in the military who have been granted leave are now allowed to do so without being penalized for missing up to ten days of school.

All U.S. and Kentucky flags purchased by state and local governments are now required to be made in the U.S.

An electrical trainee is now allowed to perform electrical work in a mine if under the direct supervision of a certified electrician.

Convicted sex offenders are now banned from MySpace, Facebook, and other social networking sites where minors are allowed. They are also required to register their e-mail addresses, screen names, and other online IDs with state authorities.

Home health agencies and other personal service businesses are now required to conduct criminal background checks on their employees and anyone convicted of abuse, drug crimes, or sex crimes is banned from being hired.

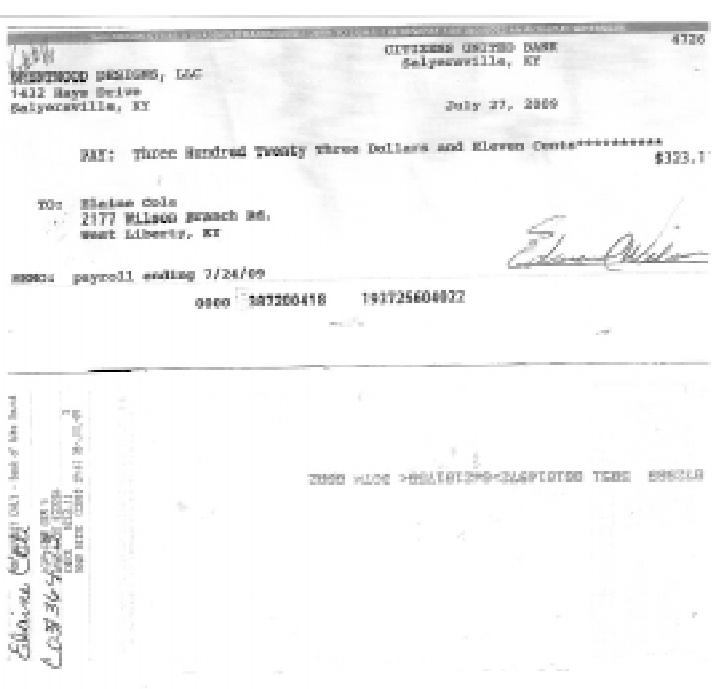

Farm trucks transporting agricultural items are allowed to exceed gross weight provisions by 10 percent on all highways, except interstates.

Violent offenders and registered sex offenders are banned from serving on school site-based decision-making councils. Offenders are also banned from entering the property of a school or day care unless they receive permission from school or day care officials.

Out-of-state deer and elk are banned from being imported unless they've been tested for chronic wasting disease. I voted against this due to concerns from the Fish and Wildlife Department

Police suspect this woman, caught on a surveillance camera at a Menifee County store, of passing fraudulent checks. The bogus check at right was passed at West Liberty Save-A-Lot.

Bogus checks passed in area were made on personal computer; authorities looking for female suspect

The West Liberty Police Department is investigating a fraudulent payroll check passed at the Save-A-Lot store July 28.

Deputy Dalton of the Menifee County Sheriff's Department is also investigating a related case involving similar checks passed the same day at the Frenchburg IGA and Botts Grocery.

Investigators have determined that the fraudulent checks, written on Citizens United Bank and Brentwood Designs LLC of Salyersville, Ky., neither of which exist, were generated on a personal computer and passed by a white female described as about 40 years old with bleached blonde hair, approx. 6 ft tall, and weighing about 170 pounds.

The investigation has revealed that similar bogus checks, also made on a personal computer, have been passed recently in Leslie, Rowan, Jackson, and Harlan counties.

The check passed at Save-A-Lot was for \$323.00, police said. The West Liberty Police Department asks that anyone who may be able to identify the suspect or who has any knowledge about the case please contact the police department at 561 Main Street, West Liberty, phone 743-4385, or by visiting the department's webpage at <http://www.westlibertypd.com/>

Sorghum Festival's just around the corner

By Linda Oakley

I seem to have misplaced the first half of this year. Has anyone seen it? The last thing I remember, I was shoveling snow and then one day I went outside and smelled spring in the air.

Last Saturday, I looked at the calendar and saw the date was Aug. 1. Now, I don't mean to complain, but this is just moving a little too fast for me. Either that, or Morgan County has become the victim of a time bandit. However, I was in Ohio last week, and the same thing is going on up there.

What this whole situation says is that if this is the first week in August, the Sorghum Festival is less than two months away. You know what that means! Once again, we are going to be

overflowing with out-of-town visitors, some awesome craft booths, yummy things to eat and some great music right here in our little town.

Why, the streets will be dressed for autumn... Autumn! What happened to spring and summer? Well, anyway, it's just going to be swell. We are going to have some great bands up on Main Street and lots of goings on at Old Mill Park, too.

That isn't all, either. Do you remember the Civil War re-enactors who were here last year? Sure, you do - it was only yesterday, wasn't it? Well, those re-enactors are going to be back and they are bringing a whole bunch of friends with them. If you didn't like the cannon booms last year... Well, you are going to hate

it this year. Yesserie, Bob! We're going to have a full scale battle going on, folks. Personally, I love it. Wow, it's history coming alive - and how great that is for the school kids.

Do year realize this is the 39th year for the festival? We have come a long way since that first year. Over 100 crafters come here to display their art and unique gift ideas. We can take pride in the fact that people come from all over to make this one of Kentucky's best and most looked forward to festivals. We have kept the traditions of homemade crafts while still changing and getting better each year.

Now, if you are one of those folks who just dreads to see the street blocked off and the hubbub that comes with it, don't worry. The way things are going, all you have to do is stretch out on the couch and take a nap. When you wake up, it will be over. Meanwhile, don't nap too long or you'll take us right into winter!

A Baby Is So Precious

By Louise Long

Over the years we have had many things given to us, including pets, quilts, things sewn of crochet, wood crafts and garden produce.

On Monday, C.D. was having some work done around the place. The young man helping him came to the door with his precious son in his carrier (car seat). He wanted me to watch the baby while he finished the job. His son is so beau-

tiful, and who doesn't love a baby? I believe I could take all the babies I see home with me.

I have only one child, and God knows we have loved her. We carried her until her feet almost dragged the ground. She used to cry for a brother or sister. She wanted me to go to the Maddox Clinic and buy a baby. I told her I did not have the money to buy one. She told me to write a check.

I confess I do not know much about new baby gadgets. When Angie was a baby, they had cloth diapers which had to be soaked and then washed a lot of times by hand, and hung out to dry. When

you had to take the baby with you, you would put a pair of plastic pants over the diapers. They were available at Wal-Mart for about \$30.00 a dozen.

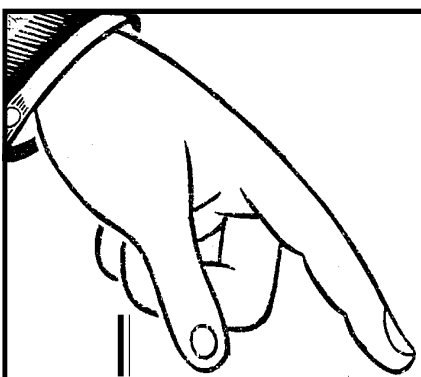

I remember my husband's wage was \$0.75 an hour until the minimum wage came about and raised it to \$1.65 per hour. I am so glad that cloth diapers were about \$5 a dozen at that time. When we were at home, we used a lot of cut-up worn out white sheets for their diapers.

Nowadays babies have so many gadgets and toys. I know two beautiful babies (very close to us) who have enough toys and

mechanical things that it looked like a toy store in the home. Are we partially to blame? You know we are.

They have such beautiful things nowadays for children. Plus nowadays the income is so much higher. When we got two or three new dresses, and shoes, and socks for school. Whenever we got on the bus the first day of school we were so proud. We recall getting a new dress for Easter Sunday every year.

As the old saying goes; "Time changes everything, nothing stays the same." And don't we know it.

Wise businessmen and women know what makes great advertising ...

RESULTS!

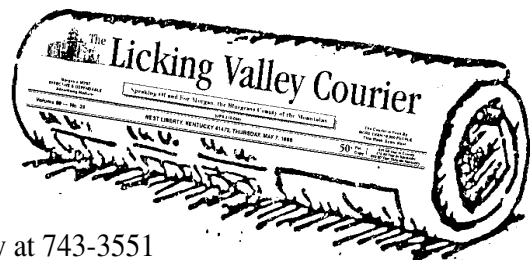

That's what West Liberty-area businesses get when they advertise their merchandise and services in their hometown newspaper ...

The Licking Valley Courier

They know The Licking Valley Courier is invited into more than 3,000 Morgan County households this week, every week. They know that Morgan Countians depend on The Courier because it speaks exclusively for and about Morgan County and its people and promotes its institutions and its businesses.

That's why more than 3,000 Morgan County families pay hard cash this week, every week to buy a copy of The Courier at a local news stand or to have a copy mailed to their homes. It's also why more than 1,500 former Morgan Countians (who, incidentally, like to frequent hometown merchants when they're back in Ol' Morgan visiting homefolks) are faithful subscribers to The Licking Valley Courier.

Bill Cosby For President!

Bill Cosby has a great way of distilling things. Looks like he's done it again! He has decided to become a write-in candidate for president in 2012. Here is his platform:

(1) "Press 1 for English" is immediately banned. English is the official language; speak it or wait at the border until you can.

(2) We will immediately go into a two-year isolationist posture to straighten out the country's attitude. NO imports, no exports. We will use the Wal-Mart policy: "If we ain't got it, you don't need it."

(3) When imports are allowed, there will be a 100 percent import tax on it.

(4) All retired military personnel will be required to man one of our many observation towers on the southern border (six month tour). They will be under strict orders not to fire on SOUTHBOUND aliens.

(5) Social Security will immediately return to its original state. If you didn't put nuttin in, you ain't gettin nuttin out. The president nor any other politician will be able to touch it.

(6) Welfare checks will be handed out on Fridays at the end of the 40-hour school week and the successful completion of urinalysis and a passing grade.

(7) Professional Athletes and Steroids. The FIRST time you check positive you're banned for life.

(8) Crime . We will adopt the

Bill Cosby

Turkish method: the first time you steal, you lose your right hand. There will be no more life sentences. If convicted of murder, you will be put to death by the same method you chose for your victim: gun, knife, strangulation, etc.

(9) One export will be allowed: wheat. The world needs to eat. A bushel of wheat will be the exact price of a barrel of oil.

(10) All foreign aid using American taxpayer money will immediately cease, and the saved money will pay off the national debt and ultimately lower taxes. When disasters occur around the world, we'll ask the American people if they want to donate to a disaster fund, and each citizen can make the decision whether it's a worthy cause.

(11) The Pledge of Allegiance will be said every day at school and every day in Congress.

(12) The National Anthem will be played at all appropriate ceremonies, sporting events, outings, etc.

Sorry if I stepped on anyone's toes

God bless America!

— Bill Cosby

BOWHUNTER'S PRAYER

I pray that each fall as the acorns hit the ground
That high in a tree stand I might be found

May my eyes be alert as I look around

And my heart beat faster at the slightest sound

May my ears still hear each footstep

That the trophy buck will take And my bow be ever ready

When he makes his last mistake I pray God that when at last

My hunting days are through That my life on earth

Like an arrow straight and true Would insure that my soul lives forever

In heaven with you.
